

Minka

(Alternate Lyrics)

VERSE 1

Merry bells go ting-a-lin-gle;
toes and fingers freeze and tingle.
With our friends we love to mingle
while the snowflakes fall.

VERSE 2

Boys and girls are out together
clad in coats of fur and leather,
made to brave the coldest weather
when the sleigh bells ring.

VERSE 3

Merry bells go ting-a-lin-gle;
toes and fingers freeze and tingle.
With our friends we love to mingle
while the snowflakes fall.
